

# TL-550

**a powerful cash register with multi-line screen and fast, silent thermal printer for the price of a basic ECR**

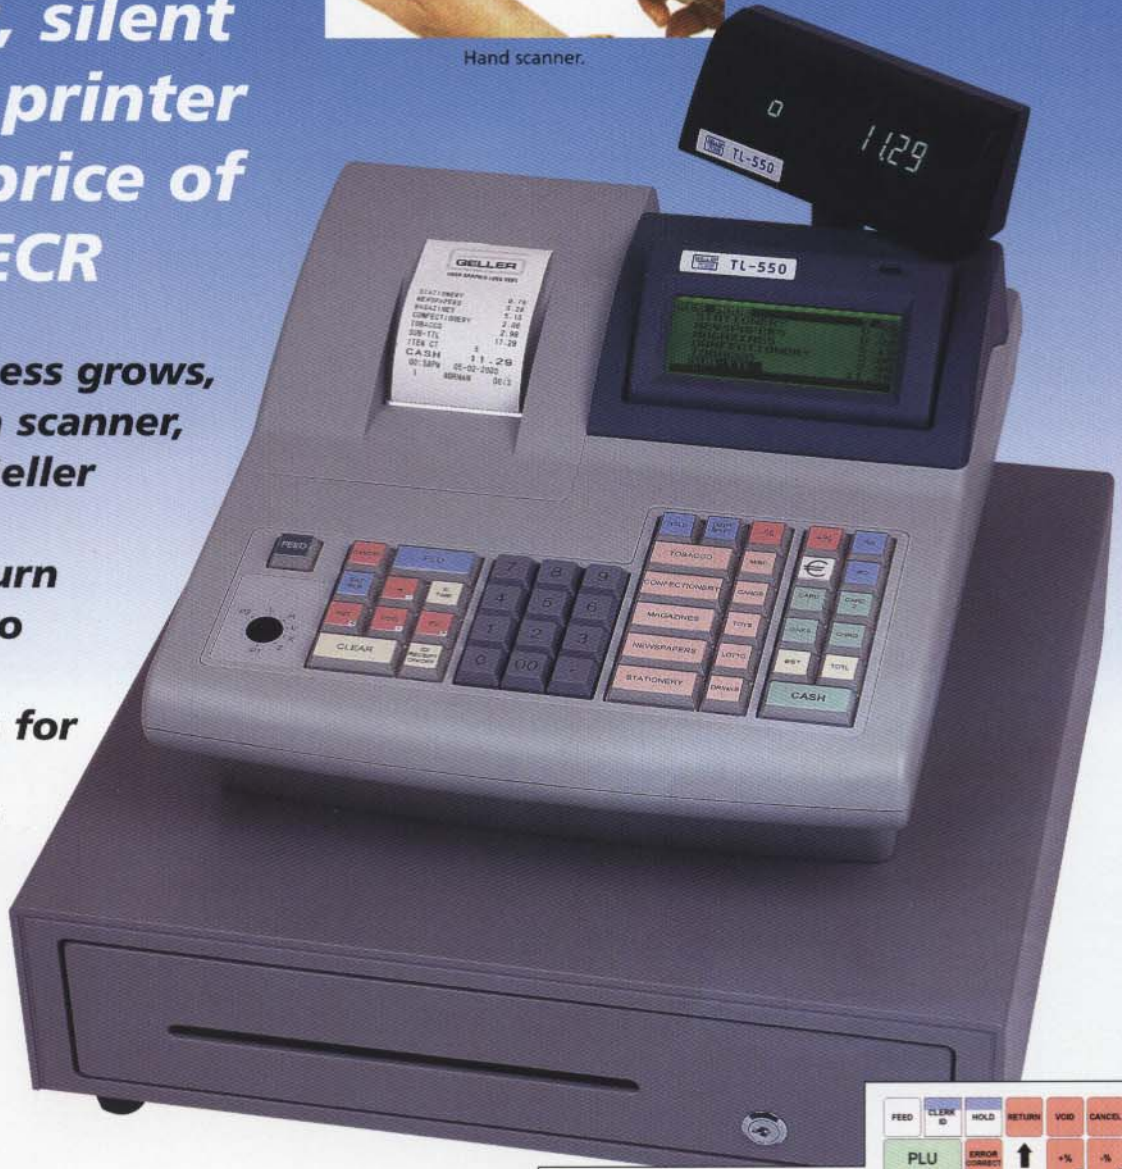

**As your business grows, you can add a scanner, modem and Geller back office software to turn the TL-550 into a complete EPOS solution for small to medium sized retailers**

Hand scanner.

Reports and journal can also be viewed on this screen.

- Simple to use
- Silent, ultra-fast operation
- 6,000 price look ups
- Low cost of ownership

Choice of flat keyboard.

**SMART ECR SYSTEMS THAT DO MORE – COST LESS**

At the forefront of retail technology since 1957

# Versatile and feature-rich, the TL-550 can be customised to *your* business needs

The TL-550 can operate

- completely stand-alone
- stand-alone with barcode scanning for up to 6,000 product lines
- linked to back office PC and Geller software for low-cost EPOS

## The Interactive Multi-line Alphanumeric Display provides on-screen operator help

**In sales mode** the back-lit, 8-line, 24-character screen displays product names and prices as sales are entered and can prompt the operator by displaying help messages.

**In report mode** (X, Z) the screen displays a list of reports for management to view or print.

**In programming mode** (P1, P2) the screen guides management through set-up, price and product name changes.

## Choice of Keyboard

Choose between flat, spill-resistant keyboard with pressure-sensitive raised domes or full-motion, raised button keyboard.

'Soft' keyboard design permits keyboard layout to be customised to suit your individual needs.

## Silent Alphanumeric Printing plus Graphic Logo

The noiseless 16-digit alphanumeric printer operates at a speedy 13 lines per second. Your company logo or special design can be stored in the TL-550's memory and printed on each receipt. There is no ribbon to replace or fade, so receipts of the same exceptional clarity are produced every time.

## Powerful Electronic Journal

16,380 transaction lines can be held in memory. In the event of a customer query, you can search the electronic journal by time and/or date and display and/or print the information.

The electronic journal can be programmed to

- a) Print when an end of day (Z) report is taken
- b) Print when the memory is full
- c) Overwrite the oldest items in the memory when capacity is reached

## Concise, Secure Management Information

Separate Secret Passwords for X Reports, Z Reports, Training Mode and Programming.

Department, PLU, Group, Hourly and Operator Reports available. Training Report.

Display Only Reports (flash reporting).

## AFFORDABLE EPOS FOR SINGLE OR MULTI SITES

A range of low-cost Geller Software Packages is available for use with the TL-550.

**SAM LITE** is single/multi site sales and management software. **SAM LITE** can also export data to other software packages such as Excel, for instance, where users have specific information requirements. **SUPERSTOCK LITE** is a stock control package for head office and remote sites and has many useful features to help manage your business.

Your dealer can supply detailed information on Geller software.
