Counter Mount

DON104

Wall Mount

Pin Pad terminals need to be mounted in such way that they are accessible to as much of the target population as possible. The following needs should be taken into account when mounting your Pin Pad:

- Adjustable: angle of display and keypad entry surface
- Detachable - particularly for disabled customers
- Rotation - easy reach for clients and staff
- Security - shielding & theft

All of the mounts in the range for the Dione Xtreme comply to the needs above enabling you to mount your Pin Pad in almost any position.

Other mounting options are available on request along with other colours, pole heights and terminal plates. Please call us for a quotation.

Dione Xtreme

Specifications	Tilting Mount	Pole Mount	Counter Mount	Wall Mount
Part number	DON101	DON102	DON103	DON104
